MANY THANKS

Thank you for your prayers, cards, calls, visits, rides and meals that have been extended to me during the last few months while I recovered from a major medical procedure. I am truly grateful for the concerns expressed by my fellow square dancers. Thank you again, Bill Rice

From Russ Buxton's Useless Information book:

The first commercially manufactured breakfast cereal was Shedd Wheat in 1882. Guess what the last name of the creator was?

Give up?

Henry Perky.
