HUG

*(Another name for Yellow Rock)*

A hug has...no moving parts, no batteries and no fees. It is inflation proof, and non-taxable. In fact, it quite relaxable. it can't be stolen, and won't pollute.

One size fits all, will not dilute, and uses little energy, but yields enormous results.

A hug elieves your tension and stress, invigorates your happiness, combats depression, makes you beam, and elevates you self esteem.

It corrects your circulation without unpleasant side effects. It is the perfect drug. there is noting like a simple hug. And best of all, it is fully returnable.
